<https://www.ibeach31.com/sport/Tournament>

- Juniors: Cost: \$30 per player - \$60 per team
- All tournaments are 2v2 format. For ages 12 and under, Coed teams are allowed. For Boys 13 and up, they are in a separate division than Girls. Girls can play with Boys however they must play in the boys division and on the appropriate net height for that age group. * If there is not an opportunity for a boys division,we will do our best to find a division for them, likely one age group up in the girls.
- AVP membership is REQUIRED to play in MOST of our tournaments. Anytime you see AVP in the name of a tournament, you must purchase a yearly membership. A membership is \$25 that is good for the calendar year. This allows our players to gain points and be seeded for AVP junior tournaments.
